

DAVID'S FINE LINENS

Whether it's hot or cold outside, stay comfortable inside with the cosiest seasonal bedding and blankets

Though the weather outside isn't quite frightful yet, it's time to transition that summer bedding to something much cosier. David's Fine Linens offers supreme luxury and comfort with an extensive selection of winter must-haves that will make a freezing-cold winter a pleasurable one (indoors, at least). The Revello Quilt Set with cool floral tones by St. Pierre is the perfect addition to a feminine bedroom. The 100% cotton allows for warmth and breathability, making it the ultimate choice this season. Take the comfort of the bedroom to your living areas with plush throws and blankets.

One favourite is the ultimate cashmere blanket by Lombarda, available in a number of gorgeous tones to complement any space. In addition to these finds, David's Fine Linens is hosting an astonishing renovation sale with savings up to 80% off.
